# McLanahan's Shoe Kits

McLanahan Shoe Kits are now stocked and readily available for shipment. Not only are these kits a cost savings, but they are also more efficient and easier to handle.

- Suspension packaging means less chance of breaking during transit.
- Each 30-piece kit consists of two 15-count boxes banded to a single skid.
- Each 15-count box includes hardware pack for shoe installation.
- The kit allows for easier storage and quicker count of inventory.
